

Using legacy devices?

Central has what you need.

2N3055 in TO-3

2N2857 in TO-72

1N5420 in GPR-4AM

As other semiconductor manufacturers increasingly discontinue **legacy discretes**, Central continues to manufacture these devices for designers who need them. Eliminate burdensome life time buys and extend your product's life cycle with the over 3,000 legacy devices from Central's extensive inventory.

Up-screening services available

For more information, call Central at: **631.435.1110**
or view devices online: www.centalsemi.com/dps1

Legacy devices are also sold through the following franchised distributors:

Diodes & Rectifiers

Bipolar Transistors

MOSFETs & JFETs

Protection Devices

Multi Discrete Modules (MDMs™)

Thyristors

Discretes Do Matter™
